隨著網上應用的普及化,青少年可隨時隨地透過智能手機 電腦應用社交媒體、瀏覽社交網站、討論區、網誌、即時 通訊工具等。近日聽新聞報道時,就連香港考試局也考慮 讓考生於中文口試中運用社交媒體新出現的英文名詞 "FACEBOOK"、"WHATSAPP"等。互聯網的發展愈快, 青少年愈發依賴社交媒體作為溝通及交友的工具。透過 社交媒體,現在的交友方式不再單一以面對面的會面才能 結識新朋友。現在以社交媒體結識朋友的這種方式交友 實在太方便了,只要在有WIFI地方,或者運用有數據上網 服務的智能手機,青年人便可以隨時隨地瀏覽互聯網。以 寫信或寫電郵來聯絡的方式,在年青人的世界早以變得過 時或不方便。普遍年青人基於好奇、人有我有、認識更多 新朋友的角度在社交媒體成立討論組群,與自己朋友或陌 生/剛相識"朋友"溝通。以社交媒體作為結交朋友或與朋 友溝通的現象究竟利多或弊多, 今期的SMARTEEN透視 將與你分享。

另外,人物透視環節邀請了西九龍總區行刑事總部李經晞高級督察為我們分享香港現時援交現象與危機,藉此讓年青人加以警惕。而西九龍互聯網的環節為我們介紹由2011年8月起推行的「夜貓ONLINE」計劃。最後,當然要邀請年青們積極參與SmartTeen問答環節,我們有豐富的獎品等著你來取噢!

Those who have read our magazine may remember in the last issue, we have talked about the cultures of Nepal. This time, we will see how a Hong Kong born Nepalese, experience the changes of meaning and impression of this city to her.

Ilike Hong Kong very much; I think Hong Kong is one of the favorite cities I have lived. मलाई हङ्गकङ्ग एकदमै मनपर्छ। मलाई लाग्छ म हाल सम्म बसेको सबै सहरहरुमध्ये हङ्गकङ्ग मेरो सबै भन्दा मनपर्ने सहर हो।

Asha Lachhemi Rana answered without hesitation.

She recalled a scene in her memory; lots of people were gathered at harbor area for the fire work show. She was amazed seeing thousands of people leaving in orderly manner in same direction,

I have never seen that before, everyone could gather and come together easily, that was a very beautiful moment for me.

मैले यस्तो पहिला कहिले पिन देखेको थिईंन, सबैजना सिजले एकअर्कासंग भेटघाट गर्न सक्नु त्यो मेरो लागि निकै सुन्दर क्षण थियो।

Rana was born in Hong Kong but studied abroad afterward so she barely stays here. She spent her childhood in various countries like Nepal, Philippine, India, Brunei and England following the lead of her father's career and her student life. Though Hong Kong is called an international city, Rana feels that local people are quite reserved. She thinks Hong Kong people do not always have an excellent command of Oral English and she does not speak Cantonese, thus increase the difficulty for her to connect with the locals.

I think it is because of the cultural shock and language barrier. Something that maybe normal for you, may not be normal for me, so we have to be very careful on how to approach मलाई लाग्छ यो संस्कृति र भाषाको मतभेदका कारण कुनै तँपाईलाई सामान्य लागेका कुरा मलाई सामान्य नलाग्न सक्छ , त्यसकारण हामीहरुले कसैसंग पनि सामिप्यता बढाउँदा सावधानी अपनाउनु पर्छ।

She said back, that a causal greeting like "hi" and "hello" to people on the road seems also difficult as she does not know if others would think she is weird not understanding her costume. "I don't feel I completely belong here because I cannot communicate with them easily due to language barrier."

Until half a year ago Rana got a chance to work temporarily here in an NGO (non-government organization) for ethnic minority community. As she no more stays as a short visitor, she found though the language and culture barrier still there, but is reducing. "when I work here, I have chance to go deeper. I find that the Hong Kong people are really friendly, like the firemen and policemen I know are really welcoming, they invite us and in their programs and also involve us in many activities. I can see that they are actually opening up." She admitted the ethnic minorities sometimes are quite reserved

because they are not sure of the expectation of the other side. "It is only because we have not yet found a proper channel to communicate and understand the both side".

She finally finds her ways to engage in the community. She was invited to be the master of ceremonies of various local organizations, including the Hong Kong Police Force. Since then, she is having more connections to the local community. Rana is now learning Cantonese and hopefully she would be able to use it soon, "No doubt Cantonese is not easy but I will remain committed to it!".

Rana was pessimistic about making friends here, but

I am now more confident and positive to the future and I feel that I am becoming a Hong Konger slowly contributing to a Hong Kong society in my own way.

अहिले मभविष्यकोबारेमा निकै नै सकारात्मक र आशावादी छु र मलाई। लाग्छ म हङ्गकङ्गेली समाजलाई आफूले सक्दो योगदान दिएर बिस्तारै हङ्गकङ्गवासी हुदैछ .
